

“Tawdry Audrey”

*This is the story of tawdry Audrey
The girl with the extra large jar of Vaseline
The girl in town who is the most obscene
Just another tramp on a trampoline*

*She is far from being Mary Tyler Moore
She is the girl next door to the girl next door
She makes the biggest whore look so demure
If you wanna see her bedroom, she'll give a tour*

*She's tawdry Audrey,
The girl with a very large laundry bill
Her lingerie has every spill
She has a three month supply of the Pill*

*Yes, tawdry Audrey,
A shame to her mother,
A joke to her brother
A whore unlike any other*

*Tawdry Audrey once was pure and chaste
Yes, chased around the block
She was caught
And now loves...*

*Yes – tawdry Audrey,
A girl of little wealth
A public threat according to the Board of Health*

*When she was in the second grade,
She'd show any boy her privates if they paid
A lot of milk money she sure had made*

*Audrey went to the nuns, thought it was a good idea
She was tired of syphilis and gonorrhea
The advice she got was most profound
Put on your clothes and get off the ground!*

*She's tawdry Audrey
So mothers beware,
Tawdry Audrey is near*
